About SkyNova Airlines. SkyNova Airlines (IATA code NV) is a full-service carrier founded in 2009 and headquartered in Madrid, Spain. Its main hub is Madrid-Barajas (MAD), with a secondary base at Barcelona-El Prat (BCN). SkyNova operates a fleet of 44 aircraft on 26 routes to 22 destinations in Spain, Europe, North America and Latin America, and carried 7.9 million passengers in 2025. Our promise: *"Every journey, cared for."*

1. Purpose and scope

This document describes SkyNova fare families, the conditions attached to each fare (changes, refunds, seat selection, miles earned) and the baggage allowance and fees that apply to all flights operated by SkyNova Airlines (flight numbers NV). Flights operated by partner airlines may apply different rules; customers should check the operating carrier shown in their booking confirmation.

Route types used throughout this document: **Domestic** (flights within Spain, including the Balearic and Canary Islands), **Europe** (flights between Spain and other European countries, and between European cities) and **Long-haul** (flights to North America and Latin America).

2. Fare families

SkyNova offers three Economy fare families (Basic, Classic and Flex), a Premium Economy cabin on Airbus A350-900 long-haul flights, and Business class on all jet aircraft. The table below summarises the main conditions.

Change and refund fees are per passenger and per direction. The fare difference is always payable when the new fare is higher. When the new fare is lower, the difference is not refunded except on Flex and Business fares, where it is returned as a travel

voucher valid for 12 months.

2.1 The 24-hour free cancellation window

Every SkyNova booking made directly on skynova.example, the SkyNova app or the Contact Centre can be cancelled free of charge within 24 hours of purchase, provided the booking was made at least 7 days before departure. The full amount is refunded to the original form of payment. This rule applies to all fare families, including Basic.

2.2 Name corrections and name changes

Minor spelling corrections of up to 3 characters per name are free of charge. Tickets are personal and non-transferable, so a full name change is not permitted. If a passenger has two surnames and only one was entered, adding the second surname is treated as a free correction. Name corrections for long-haul flights to the United States must be completed at least 72 hours before departure because of ESTA / APIS requirements.

2.3 Travel vouchers

Travel vouchers issued by SkyNova are valid for 12 months from the date of issue, can be used for any passenger on the same booking, can be combined (up to 3 vouchers per booking) and cannot be exchanged for cash, except vouchers issued as an alternative to monetary compensation under the Passenger Care Policy (document CX-02), which may be converted to cash at any time during their validity.

3. Cabin baggage

All passengers may bring one personal item (handbag, laptop bag or small backpack) of maximum 40 x 30 x 15 cm that must fit under the seat in front. Cabin bags must not exceed 55 x 40 x 23 cm including wheels and handles, and 10 kg (Economy and Premium Economy) or 14 kg combined for two pieces (Business).

- On ATR 72-600 aircraft (SkyNova Connect, routes MAD-BIO and MAD-SCQ) overhead bins are smaller: cabin bags are collected free of charge at the aircraft door ('valet bag') and returned at the aircraft door on arrival.
- When overhead space is full, cabin bags may be checked in free of charge at the gate. Customers must remove lithium batteries, medicines and valuables first.
- Duty-free purchases in a sealed bag are allowed in addition to the cabin allowance.
- Cabin bags that exceed the size or weight limit at the gate are charged the gate fee shown in section 5.

4. Checked baggage allowance

Each checked bag may weigh up to 23 kg (Economy and Premium Economy) or 32 kg (Business) and must not exceed 158 cm in total dimensions (length + width + height). No single bag may weigh more than 32 kg for health and safety reasons; heavier items must be sent as cargo. Horizon tier members receive additional allowance as described in the Horizon Loyalty Program guide (document CX-04): Silver +1 bag of 23 kg, Gold and Platinum +1 bag of 32 kg.

Infants under 2 years have an allowance of one checked bag of 10 kg plus one fully collapsible stroller and one car seat, free of charge. Children from 2 years have the same allowance as adults on the same fare.

5. Baggage fees

Prices are per bag and per direction. Purchasing online (skynova.example or the app) up to 4 hours before departure is always cheaper than paying at the airport.

Item	Domestic online	Domestic airport	Europe online	Europe airport	Long-haul online	Long-haul airport
Cabin bag added to Basic fare	€18	€35 (at gate €45)	€22	€40 (at gate €50)	n/a	n/a

Item	Domestic online	Domestic airport	Europe online	Europe airport	Long-haul online	Long-haul airport
1st extra checked bag (23 kg)	€25	€40	€35	€55	€70	€100
2nd extra checked bag (23 kg)	€40	€60	€50	€75	€100	€140
3rd and following bags (each)	€70	€90	€90	€110	€160	€200
Overweight 23.1 - 32 kg	€40	€50	€50	€75	€75	€100
Oversize 158 - 203 cm	€50	€60	€60	€80	€100	€150

Example: a passenger on an Economy Classic fare MAD-JFK (one 23 kg bag included) who wants to check a second bag of 27 kg pays €70 (1st extra bag, online) + €75 (overweight, online) = €145 per direction if purchased online, or €100 + €100 = €200 at the airport.

6. Check-in and boarding deadlines

Step	Domestic & Europe	Long-haul
Online check-in opens	48 hours before departure	48 hours before departure
Online check-in closes	1 hour before departure	2 hours before departure
Airport bag drop / desk closes	45 minutes before departure	60 minutes before departure
Boarding gate opens	40 minutes before departure	60 minutes before departure
Boarding gate closes	20 minutes before departure	30 minutes before departure

Passengers who do not present themselves at the gate before closure are considered no-shows and their seat may be re-assigned. If a passenger misses the outbound flight, return flights on the same booking are NOT cancelled automatically provided the passenger contacts SkyNova before the departure of the return flight.

7. Items not accepted in checked baggage

- Spare lithium batteries and power banks (must be carried in the cabin; maximum 2 power banks per passenger, up to 100 Wh each; 100-160 Wh require prior approval; above 160 Wh are forbidden).
- E-cigarettes and vapes (cabin only, use on board is forbidden).
- Valuables such as jewellery, cash, laptops, cameras, keys and medicines: SkyNova recommends carrying them in the cabin; liability for these items in checked baggage is limited as described in document CX-02.
- Flammable liquids, gas cylinders, fireworks and other dangerous goods are forbidden in both cabin and hold.

8. Damaged, delayed or lost baggage

Customers should report any baggage irregularity at the SkyNova Baggage Services desk in the arrival hall before leaving the airport and obtain a Property Irregularity Report (PIR) reference, format **MADNV12345**. Deadlines for written claims and interim expense allowances are described in the Passenger Care and Compensation Policy (document CX-02, section 7).
