SkyNova Airlines
Special Assistance and Travel Needs

Document CX-03 | Version 2.4 | Effective 1 March 2026

About SkyNova Airlines. SkyNova Airlines (IATA code NV) is a full-service carrier founded in 2009 and headquartered in Madrid, Spain. Its main hub is Madrid-Barajas (MAD), with a secondary base at Barcelona-El Prat (BCN). SkyNova operates a fleet of 44 aircraft on 26 routes to 22 destinations in Spain, Europe, North America and Latin America, and carried 7.9 million passengers in 2025. Our promise: *"Every journey, cared for."*

1. Assistance for passengers with reduced mobility (PRM)

Assistance at the airport and on board is **free of charge** on all SkyNova flights. To guarantee the best service, customers should request it at least **48 hours before departure** through Manage Booking, the app or the Contact Centre. Requests made later will be handled on a best-effort basis.

Code	Description	Typical support
WCHR	Can walk short distances and climb stairs, needs help for long distances	Wheelchair to the aircraft door
WCHS	Cannot climb stairs but can move inside the cabin	Wheelchair + lift / ambulift where needed
WCHC	Completely immobile, needs help to reach the seat	Aisle chair on board; seat close to the toilet where possible
BLND / DEAF	Visually or hearing impaired passengers	Escort, personalised safety briefing, written announcements
DPNA	Intellectual or developmental disability	Escort, quiet boarding, family seating

- Up to 2 mobility devices (wheelchair, scooter) are carried free of charge in addition to the baggage allowance.
- Battery-powered wheelchairs: lithium-ion batteries up to 300 Wh (or two of up to 160 Wh) must be declared 48 hours in advance.
- Recognised assistance dogs travel free of charge in the cabin on all routes, including long-haul.
- If a customer needs a companion for safety reasons, the companion's seat is offered with a 50% discount on the fare (taxes excluded).
- Approved portable oxygen concentrators (POC) may be used on board; the customer must bring batteries for 150% of the flight duration.

2. Travelling with pets

Dogs and cats are accepted in the cabin or in the hold (AVIH) on SkyNova flights, with the following conditions. Pets must be booked in advance; a maximum of 2 pets are accepted in the cabin per flight on A320neo/A321neo, 3 on A350-900 and A321XLR, and none on ATR 72-600 aircraft.

	Domestic	Europe	Long-haul
In cabin (pet + carrier up to 8 kg, carrier max 45 x 35 x 25 cm)	€50	€70	€150 (A350 / A321XLR only)
In hold (pet + crate up to 45 kg)	€80	€120	€250
Booking deadline	48 h	48 h	7 days (health certificate required)

- Snub-nosed (brachycephalic) dogs and cats such as Bulldogs, Pugs, Boxers and Persian cats are NOT accepted in the hold for health reasons; they may travel in the cabin if within the weight limit.

- Pets must be at least 12 weeks old (15 weeks for travel to another EU country, due to rabies vaccination rules).
- Pets are not accepted in the hold from 1 June to 15 September on long-haul routes to Miami, Mexico City and Bogota because of high ground temperatures.
- Customers are responsible for the entry requirements of the destination country (microchip, EU pet passport, USDA / CFIA rules).

3. Children and unaccompanied minors

Age	Travelling alone	Fee per direction	Notes
Under 5	Not allowed	-	Must travel with a passenger aged 16 or over

- Small instruments (violin, guitar up to 118 x 45 x 20 cm) may be carried in the cabin as the cabin bag.
- Large instruments such as cellos may travel in the cabin on an extra seat (CBBG) purchased at the same fare as the musician, on jet aircraft only. Horizon miles are not earned for the extra seat.
- Bicycles must be booked at least 24 hours in advance; maximum 4 bicycles per flight on A320neo.

6. Dietary and medical needs

Special meals can be requested up to 24 hours before departure on long-haul flights and Business class on Europe flights: vegetarian (VLML), vegan (VGML), gluten-free (GFML), diabetic (DBML), kosher (KSML), halal (MOML), low-salt (LSML), child meal (CHML) and baby food (BBML). On Economy short-haul flights, the SkyNova Cafe menu offers vegan and gluten-free options for purchase. Passengers with a severe nut allergy should inform us at booking; SkyNova stops serving nuts on board on that flight but cannot guarantee a nut-free environment.

Medicines, medical liquids and syringes needed during the flight are allowed in the cabin above the 100 ml liquid limit with a prescription or medical report. Insulin must always be carried in the cabin.
